The Application for Certification for the
Hydrogen Energy California Project

SIERRA CLUB STATUS REPORT #3

Pursuant to the Revised Committee Scheduling Order for the Hydrogen Energy California Project (HECA), issued on October 5, 2012, Intervenor Sierra Club respectfully files this Status Report No. 3

Sierra Club continues to work diligently to obtain further information to address its many concerns about the project. Pursuant to the Commission's ruling on the motion to compel, we received the confidential excel spreadsheets from the Applicant on December 10, 2012. Sierra Club submitted a second set of data requests on October 30, 2012, and the Applicant responded to most of Sierra Club's requests on November 30, 2012. As anticipated, Sierra Club is filing a motion to ask the Commission to extend discovery so that Sierra Club can ask follow-up questions related to this recently received information.

Dated: December 19, 2012
